

7) dressed in warmup jacket but with shirt and tie. Windowlight
as he awaits wife.

look forward to disability

I feel smaller like all the angles come at me and pinch me in.
Like I'm a window and they're smashing the house.
Maybe it's the food here. It all tasted the same so sometime I ate
and sometime I didn't and it was all the same to me I felt just the
same.

Where is she? Come here a twenty times and now she's lost. Huh!
Who is she anyway? Stranger. Longer I was here more I forgot
about her and her and me. Oh she'll do something piss me off and
then I'll remember. Docotr said I must use her to comfort me and
I know he's right but...I gotta do it all myself and yet I don't
want to do lanythying at all.
going home and yet stil hallu hey? I shut up with the docgtor and
became a capon. that's the ultimeate strat eveywhere you go and
the one day you turn around and those are feathers sticking out of
your ass. So Im STARK raving mad. I made that joke because I
thought the pain would let me.
He talkks to Mr Grief who becomes Mr death when he turns to
audience: we didn't see you at first (doorway) Come in don't come
in it's all the same. couldn't tell psy of mr grief.
I am supoose to hate these other young men, the Iranians. Why should I want
one of their young lives. I want all young lives
preserved. The rest is fuckin evil! Hey we killed Chines in Korea and
then Nixon goes to China. Walking over their bodies and ours.
Did fo rthe system and the suystem dies. I spoke to chanese in K
ind emil zone. We'd ahve meetings after the war to starainten theings
out, return volley8 balls or something.
He went to Yale with all the sons of stockborkers.
I remember the NH green it was so
lovely, the central space for socializing--and there we two were
socializing. Urban palnnig he says. I want to study urban planning
at probably NYU, plan a whole new chinese city. It'sa ll jammed in
too close.
and the russ kids in theeir dirty lillte war in afgan --they die and
body wants to know nothing, officials the dirty work of empire.
suicide in flicry consideration

end or near he doesn entertian young sailors:
Yankees they aint got a chancee--you cna't buy etc. You reilly
can't buy anything.
then ral megla abo job
teh cs fired me can you imagine?
playc cards but don't lose more than you cna afford
and watch out for the women don't get married for awhile
foool around but not all women are whores you know
don't get that idea from these selzy place phillipinesor
other but one aint mroe clever, lot more than you--
effusive advice!!!!!!

icy light
carried chair to apron and turns it around sits and rests arms
on back

9) in bright light and pyjamas but not gI comein carrhyin lumber
which he drops

Encore huh? I heard you yelling. Well I;m back strighen
out hyou fuckers. Didn't have enough time last time.

Y0u like? I cna';t go round hosp issue like you guys, governmaent
issue w name stenciled like lkids at camp[sttarts arrangin lumber]
for me to know and y ou to find out. lays down.

Knew that'd get you. You know a better way t0 measure what i'm
measuring. Yeah weel you're not far off. Maybe that;s the only thing
you relally get to own, your grave

that ;s the thing about this coutry. It deosn't really belong
to anybody. Mishmosh. ZOOh the rich and corps t heey got a lot and
can push buttons but...

I'm doing it for another father. We got an international
conspirasy of fathers. It was in pravda originally and we copi8ed
it here . Father of kid killed in afganistan, couldn't get the
town fathers to build a fence around his kids grave--i guess thats
a custom.

they just want ot remember the great patriotic war, not any
present tense dinky shit in the0asshole mountains

No Im not gonna build it here, this is just to get an
idea. im going to go there and build it.

get what on the plane. hyey you can buy lumber there
you know it aint that backward.

won't tlet me. they won't even know till it's finished.

we;ll that ten on the laugh meter. get it built before I
get there. Bureaucrats?

Silent protest. Shit no I;ll talk too if anybody listgwens
or maybe if nobody listens. Ill say not one life is worth your
shit! Simmmple fuckin message and ill say it in the white house
or the congress just liek im saying it here.

and you can amke it bea0tifu0l etc. (sobs) starts hammeing.,
paint it so fuckin white ll take uyor breath away

bright
bright
bright
bright

enters wi lumber etc and mumbling and repeating

I'll build the fuckin fence
lay it out now

scrap fm carp shop
design

go ovr there and build it

lays down with studied dignity

bigger...some elbow room...young person

Hmph! All Right! I'll build the fuckin fence

answers objs as to getting it there etc.

they got lumberyards there

what if build before

HUH bureaucracy

convrse with imag watchman?
